Go Ape – Temple Newsam

There's a stately feel to Go Ape Temple Newsam, despite being situated just four miles from the centre of Leeds. Based in estate grounds with a 500-year-old country mansion and beautiful woodlands, you'll feel like Lord and Lady. One of the many brilliant things about this course is that no matter how challenging the obstacles are, the permanent belay is quietly reassuring. So, once you're hooked on, that's it for the duration. All you need to do is concentrate on is having fun.

Sport

Golf

On Site

We have our very own on site 4 hole pitch and put golf course which is ideal for families or beginners. You will find a selection of clubs for use in your lodge on arrival.

Ghyll Beck – driving range only

Solely a driving range Ghyll Beck is only a short 10 min drive away from our site. They have an onsite pub serving drinks and some light meals. The prices are; small basket £2.50 (42 balls) large basket £4.80 (84 Balls) Club Hire £2. <http://www.ghyllbeck.co.uk/>

Baildon Golf club

Baildon golf club is adjacent to Faweather grange, either a short 30 minute walk away or a 5 minute drive. Their visitor green fees are currently £15 per person throughout the week. Prior booking is required. If the weather is rather wet or windy I wouldn't advise picking this course as it is on the moor top however on a nice day it offers spectacular views and a challenging experience.

<https://www.baildongolfclub.com/visitors-green-fees>

Bingley St Ives

More of a formal golf course this is more expensive than Baildon with prices varying based on the time of year and day of the week. It's around a 15 minute drive from Faweather Grange, more info can be found on; <https://www.bingleystivesgc.com/visitors/>

Northcliffe

Offering one of the most challenging 18th holes in the local area this club is a must visit for those of you who are looking for a challenge. A short 15 minute drive away you will find this club around the back of Saltaire. <https://www.northcliffegc.org.uk/>

Cycling

Mountain Biking/Cycling

From your lodge

We have a few public biking trails that go directly from site, please ask a member of the team for more details.

Leeds – Liverpool Canal

Cycling along the canals offers a lovely way to gain an insight into Yorkshire's industrial heritage whilst soaking in stunning views on the way. My suggestion on a nice ride would be from the World heritage village of Saltaire (around a 20 min ride away from us) all the way along the canal path to Skipton. The ride will take around 3 hours and you will cycle around 17miles along the towpath from Saltaire. There are plenty of cafes and even some pubs to stop at along the way to break up the journey. If you feel tired trains run from Skipton every 30mins to return you back to start if you don't fancy the return ride.

Stainburn Forest

Just a short 20 minute drive away Stainburn offers some technical rides for the intermediate to advanced riders. If you're looking for a thrill on a bike id definitely recommend a visit.

<https://www.forestryengland.uk/stainburn>

Gisburn Forest

Around 50 minutes drive away Gisburn is one of the best pre prepared mountain bike trails in the north of England. It offers riding for all ability levels from wide open tracks through the forest to narrow technical challenges for the more advanced riders. <https://www.gisburnbiketrails.com>

Esholt Woods

Esholt is a collection of woods with some great bridleways to discover, it also has a collection of small downhill trails, jump and drops located near the village which a team of local enthusiasts have built over the years. <https://www.cyclebradford.org.uk/get-cycling/leisure-trails-places/esholt/>

Reservoir walks

Swinsty and fewston;

Just a short drive away we have lots of beautiful walks close to lakes and reservoirs. My personal favourites you will find in the Washburn valley. For an easier gentle walk with well-made paths head up to Swinsty and Fewston reservoirs. Fairly often in the main car parks during summer and the weekends you will find ice cream vans. There are also plenty of picnic areas and even specified BBQ areas if you fancy a grill by the lakeside. <https://www.yorkshirewater.com/things-to-do/swinsty-walk/>

Thruscross;

A bit more off the beaten track you have Thruscross reservoir. This is a lovely walk to do on a good weather day (if its windy or wet it may be better to consider one of the other two walks previous).
