Why not make an evening of it?

Ilkley:

Ilkley is a lovely place to visit often named as one of the UKs most liveable towns. There are many shops, cafés, bars & restaurants.

Evening Suggestion – Take a taxi (15 mins) early doors to one of the lovely pubs/bars (I would recommend Ticket office, for Bar vibes, Bar Tat for Pub vibes or Martinez for wine vibes) The take a stroll to one of Ilkley's many restaurants from fine dining at Box Tree to Sri Lankan tapas at Brooks. If you have time and its not too late visit Ilkley Cinema for a local small Cinema experience with only 2 screens.

Saltaire:

Our local World Heritage village of Saltaire is a must visit with some fabulous pubs and restaurants.

Evening Suggestion – Take a taxi (10 mins) to one of the pubs (I would recommend Fannys for a local ale house or Salt beer factory (the old tram shed) for a more modern cosmopolitan feel. After finishing in one of the pubs take a short walk to one of the lovely restaurants, my top choices are The Pepper Mill (booking essential), Seoul kitchen a new Korean eatery) or Rumpus burger for the best burgers in town.

Otley:

A quaint historic market town with a river running through the bottom – lovely for long summer evenings.

Evening Suggestion – Take a taxi (15 mins) to one of the pubs in town, with Otley being an old market town its nice to get lost in the cobbled backstreets. Once you have finished in the pubs make your way down to the river Where you will find Buon Apps Italian – a firm favourite of ours. Buon Apps is perfect for special occasions and offers lovely food with views over the river.

Baildon

Our local with a multitude of pubs on offer - limited on food choices however the Kashmiri Aroma is a favourite in the centre of the village.

Evening Suggestion – Within walking distance on a nice evening I would recommend following our guided walk to Baildon – stop at one of the Bars/Pubs (my favourite personally being the Garden Bar. Once you have finished with the drinks head to the local curry house Kashmiri Aroma for an authentic taste, or over the Road to Mother Hubbard's for some of Bradfords best fish and chips. End the evening by returning via Taxi approx. 5 mins.
